

AMC ENVIRONMENTAL and REAL ESTATE TEAM
AREAS OF PRIMARY RESPONSIBILITY

From time to time, we have received inquires about which attorney on the AMC Environmental and Real Estate Law Team is primarily responsible for a particular subject matter area. Enclosed is a breakout among the team attorneys, and "some" of their areas of primary legal responsibilities. If you have a question regarding one of these particular areas, it is recommended you contact the identified attorney first. Of course, we all are available for assistance, if that particular attorney cannot be reached.
