

# U.S. ARMY MATERIEL COMMAND

## **Lisha H. Adams**

### **EXECUTIVE DEPUTY TO THE COMMANDING GENERAL**

Lisha Adams assumed duties as the Executive Deputy to the Commanding General (EDCG) effective August 9, 2015. As EDCG, Ms. Adams is responsible for materiel life cycle management, acquisition support, personnel and resource management, industrial base operations, enterprise integration, research and development, and science and technology for a globally reaching command with over 63,000 personnel with an impact or presence in 144 locations globally and all 50 states. She previously served as the Deputy Assistant Secretary of Defense for Materiel Readiness, the principal advisor to the Office of the Secretary of Defense leadership on policies, procedures, and actions related to the materiel readiness of Department of Defense weapons and other materiel systems.

Ms. Adams has over 30 years of experience in government service supporting Army and Joint Service programs. A graduate of the Army Materiel Command Materiel Maintenance Management Intern Program, she has held various leadership positions in acquisition and sustainment, including Logistics Division Chief, Unmanned Vehicle Systems Project Office; Director of Logistics, PEO for Tactical Missiles; and Principal Deputy, G-3, U.S. Army Aviation and Missile Command. Selected for the Senior Executive Service in January 2011, Ms. Adams served as the Executive Director, Integrated Materiel Management Center, U.S. Army Aviation and Missile Command. In June 2011, Ms. Adams was assigned as the Assistant Deputy Chief of Staff, G-3/4 for Logistics Integration, responsible for sustaining the Joint Warfighter, through command and control of supply chain management, depot and National Maintenance Program operations, asset management and distribution, reset, and ammunition/chemical stockpile management.

Ms. Adams earned her Bachelor of Arts degree in economics from Birmingham-Southern College and received her Master of Business Administration degree from the Florida Institute of Technology. Ms. Adams is Defense Acquisition Level III certified in Program Management and Lifecycle Logistics.

Ms. Adams' awards include the Department of the Army Decoration for Exceptional Civilian Service; DA Meritorious Civilian Service Award; DA Superior Civilian Service Award; DA Civilian of the Year; Redstone Chapter AUSA, 2010; DA Integrated Logistics Support Achievement of the Year Award for ILS Management; and the Commander's Award for Civilian Service.
