November 2014

Field artillery officers see another side of munitions

It's not often that Army field artillery officers have the opportunity to see where the rounds their troops use for training and in combat are manufactured. That changed for 60 field artillery officers...

JMC Soldiers honor Veterans' service and sacrifice

On a cold and blustery day, Joint Munitions Command Soldiers honored the service and sacrifice of our Nation's service members during Veterans' Day ceremonies, Nov. 11....

Vigilant Shield 15 provides realistic training for terrorist attack

A Quick Reactionary Force tested their emergency response skills during Vigilant Shield 15 exercise, held at Radford Army Ammunition Plant, Oct. 21-24. Members of the Bravo Battery, 1/10 Field Artillery Battalion...

Holston Army Ammunition Plant gives back

On November 21, Holston Army Ammunition Plant employees took time to give back to the local community. Holston partnered up with BAE Systems, Bristol Motor Speedway Children's...

JMC assists in Operation Ammunition Clean Sweep

Nine Joint Munitions Command personnel recently supported Operation Ammunition Clean Sweep, and assisted military teams in managing a steady drawdown of ammunition from forward...

FBI recognizes McAlester ammo plant for rounds transfer

McAlester Army Ammunition Plant was recognized by the FBI during a visit to the plant, for transferring small-arms ammunition to its agency. MCAAP identified and diverted more than 4.3...

Joint Munitions Command participates in Exploring Engineering Event

Several JMC employees participated in an Exploring Engineering event, held at the Rogalski Center, St. Ambrose University in Davenport, Iowa, on Nov 4. Cindy Brock, Lisa Heggen and Chris Heggen, spoke to more than 30 high school and college students about...

AMC honors Oklahoman for natural resources conservation

A civilian employee who spent more than 30 years working to improve natural resources conservation at McAlester Army Ammunition Plant, including the past 18 years leading the Land Management Office responsible for it, was recognized for his...

JMC General Engineer inducted into Ordnance Order of Samuel Sharpe

Jim Cox, General Engineer, Joint Munitions Command Quality Directorate, was inducted into the Ordnance Order of Samuel Sharpe during a ceremony held at the Rock Island Arsenal, Nov. 24. "The Samuel Sharpe award is a great honor to bestow on you," said Brig. Gen. Kristin K. French...
